JUDGMENT

The petitioners, working as Junior Public Health Nurses, contend that they have completed the statutory Health Supervisory Training course conducted by the department for six months. They are awaiting promotion to the post of Lady Health Inspector. According to them, their juniors have been promoted and they have been over looked for no reason. Exts. P3 and similar representations have been submitted by the petitioners before the Director of Health Services.

2. After hearing learned counsel for the petitioner and learned Government Pleader on behalf of the respondent, the writ petition is disposed of directing the Director of Health Services to take a decision on the request made by the petitioners as per Ext.P3 (and similar representations stated to have been filed before the Director) within a period of six weeks from the date of receipt of a copy of this judgment.

V. GIRI, JUDGE.
